In accordance with article 22.2 of Law 34/2002, of July 11, on Information Society Services and Electronic Commerce (LSSI-CE), COMPEGPS TEAM SL must comply with the obligation to inform about the cookies it uses and their purposes.

This website uses cookies and/or similar technologies that store and retrieve information when you browse. Cookies allow a website, among other things, to store and retrieve information about a User's or their computer's browsing habits, and depending on the information it contains and how the user uses their computer, can be used to recognize the User.

Cookies are essential for the operation of the internet, providing numerous advantages in the provision of interactive services, facilitating the User's navigation and usability of our website.

The user can customize the settings [Configure Cookies](#).

The information provided below will help you understand the different types of cookies:

1.1 TYPES OF COOKIES

- According to the entity that manages them
 - **Own cookies:** Those that are sent to the user's terminal equipment from a computer or domain managed by the editor itself and from which the requested service is provided by the user.
 - **Third-party cookies:** Those that are sent to the user's terminal equipment from a computer or domain that is not managed by the editor, but by another entity that processes the data obtained through cookies.
- According to the time they remain active
 - **Session cookies:** Those designed to collect and store data while the user accesses a website. They are usually used to store information that is only of interest to keep for the provision of the service requested by the user on a single occasion (for example, a list of purchased products) and disappear when the session ends.

- **Persistent cookies:** Those in which the data is still stored on the terminal and can be accessed and processed for a period defined by the cookie's responsible, which can range from a few minutes to several years.
- According to their purpose
 - **Technical cookies:** Those that allow the user to navigate through a website, platform, or application and use the different options or services that exist in it
 - **Personalization cookies:** Allow applying features specific to user navigation on the website (e.g., language).
 - **Analysis cookies:** Those that allow those responsible for them to track and analyze the behavior of users of the websites to which they are linked, including quantifying the impact of advertisements. The information collected through these types of cookies is used to measure the activity of websites, applications, or platforms, with the aim of introducing improvements based on the analysis of the usage data that users of the service make.
 - **Advertising cookies:** Allow the editor to include advertising spaces on the website, according to the content of the website itself.
 - **Behavioral advertising cookies:** Those that store information on the behavior of users obtained through continuous observation of their browsing habits, allowing the development of a specific profile to display advertising based on it.

Additionally, COMPEGPS TEAM SL provides more detailed information about the cookies used by its owners, their use or specific purpose, storage periods, as well as possible international data transfers for each of them used on our website:
