In accordance with the provisions of Article 22.2 of Law 34/2002, of July 11, on Information Society Services and Electronic Commerce (LSSI-CE), COMPEGPS TEAM SL must comply with the obligation to inform about the cookies it uses and their purposes.

This website uses cookies and/or similar technologies that store and retrieve information when you browse. Cookies allow a website, among other things, to store and retrieve information about a User's browsing habits or their device, and depending on the information they contain and the way the device is used, they can be used to recognize the User.

Cookies are essential for the functioning of the internet, providing countless advantages in the provision of interactive services, facilitating the User's navigation and usability of our website.

The user can modify the personalized settings [Configure Cookies](#).

The information provided below will help you understand the different types of cookies:

1.1 TYPES OF COOKIES

- According to the entity that manages them
 - **Own cookies:** These are those that are sent to the user's terminal equipment from a computer or domain managed by the editor itself and from which the service requested by the user is provided.
 - **Third-party cookies:** These are those that are sent to the user's terminal equipment from a computer or domain that is not managed by the editor, but by another entity that processes the data obtained through cookies.
- According to the length of time they remain activated
 - **Session cookies:** These are designed to collect and store data while the user accesses a web page. They are usually used to store information that is only of interest to keep for the provision of the service requested by the user on a single occasion (e.g., a list of purchased products) and disappear at the end of the session.
 - **Persistent cookies:** These are those in which the data remains stored in the terminal and can be accessed and processed for a period defined by the cookie manager, which can range from a few minutes to several years.
- According to their purpose
 - **Technical cookies:** These allow the user to navigate through a web page, platform, or application and use the different options or services that exist on it.
 - **Personalization cookies:** Allow specific characteristics to be applied for the user's navigation on the website (e.g., language).

- **Analysis cookies:** These allow the responsible party to monitor and analyze the behavior of users of the websites to which they are linked, including the quantification of the impact of advertisements. The information collected through this type of cookie is used to measure the activity of the websites, application, or platform, in order to make improvements based on the analysis of the data used by the users of the service.
- **Advertising cookies:** Allow the editor to include advertising spaces on the web page, according to the content of the web itself.
- **Behavioral advertising cookies:** These are those that store information on user behavior obtained through the continuous observation of their browsing habits, which allows the development of a specific profile to display advertising based on it.

Additionally, COMPEGPS TEAM SL provides more detailed information about the cookies it uses, their owners, the specific use or purpose, retention periods, as well as possible International Data Transfers of each of them used on our website:
